### **DEPARTMENT OF ENERGY WEATHERIZATION ASSISTANCE PROGRAM**

This program is available to households whose income is less than 150% of the current Federal Poverty Guidelines. Participants in the program will first receive a thorough no-obligation energy analysis of their home or apartment. Using the results of the analysis, cost-effective efficiency measures will be identified and installed by professionals. This is all done at no cost to the household.

To learn more about the Weatherization Assistance Program, contact your local Community Action Agency. If you do not know how to contact your local Community Action Agency, call 2-1-1 for the contact information.
